

## Dementia Caregiving Technology Survey (GPS Tracking)

Before beginning the main survey, we would like to ask you a few questions to ensure your eligibility to participate.

---

Q: Are you taking care of a someone who has some type of cognitive impairment, such as mild cognitive impairment, Alzheimer's disease, Lewy Body disease, vascular dementia, etc.? We will refer to this person as the "care recipient".

☐ Yes (1)

☐ No (3)

*Skip To: End of Block If Are you taking care of a someone who has some type of cognitive impairment, such as mild cogniti... = No*

---

Q: Are you the primary caregiver/care manager for the care recipient?

☐ Yes (30)

☐ No (31)

*Skip To: End of Block If Are you the primary caregiver for the care recipient? = No*

---

Q: Do you receive any kind of payment or financial consideration for being a caregiver/care manager to the care recipient?

☐ Yes (5)

☐ No (6)

*Skip To: End of Block If Do you receive any kind of payment or financial consideration for being a caregiver/care manager... = Yes*

---

Q: Does your care recipient live in a secure memory care unit or a nursing home?

☐ Yes (1)

☐ No (2)

*Skip To: End of Block If Does your care recipient live in a secure memory care unit or a nursing home? = Yes*

---

Q1 Which of the following characterizes the care recipient's current living arrangement? Select all that apply.

- ☐ Lives alone (1)
  - ☐ Lives with child or children (2)

Other (please specify): (33)

---

Now we would like to ask you some questions about characteristics of the care recipient (the person you take care of).

Please answer the following questions about the person for whom you are providing care (or you are the primary caregiver or care manager).

Q12 What is his/her year of birth?

---

-----

Q13 What is the country of his/her birth?

---

-----

Q14 What is his/her gender?

☐ Female (1)

☐ Male (2)

☐ Non-binary (3)

-----

Q15 Does she/he have children?

- ☐ Yes (1)
- ☐ No (2)

Q16 If he/she has children, what are the ages of his/her children?

---

Now we would like to ask some questions about your attitude towards technological devices.

Q17 Are you currently using a technological device to keep track of your care recipient's comings and goings and find them if they get lost? We are only asking about devices that DO NOT require any operation or input from the care recipient, such as requiring them to push a panic button or answer a telephone. We are interested in knowing if you have used something like a smartwatch/phone or other wearable or carried tracker that can transmit the recipient's location without any input from the care recipient. Select the option Yes if you are currently using such a device or No if you are not.

- ☐ Yes (1)
- ☐ No (2)

*Skip To: End of Block If Are you currently using a technological device to keep track of your care recipient's comings and... = Yes*

---

Q18 In the coming three months, how likely or unlikely will you be to use a technological device to track your care recipient's comings and goings and find them if they get lost?

	Very unlikely (1)	Moderately unlikely (2)	Slightly unlikely (3)	Neither likely nor unlikely (4)	Slightly likely (5)	Moderately likely (6)	Very likely (7)

Now we would like to ask you some questions about care patterns related to wandering or home safety.

Q23 Are you at least somewhat concerned about your care recipient wandering or getting lost?

☐ Yes (1)

☐ No (2)

Q24 Are you at least somewhat concerned about your care recipient getting into trouble if left alone, or have you had such concerns in the past?

☐ Yes (1)

☐ No (2)

Q25 What kind of technological device do you use for keeping track of your care recipient's coming and goings or to find them if they get lost (e.g. GPS tracking watch, smartphone, etc.)? You may list more than one device.

---

Q26 For this technological device that you are using to keep track of your care recipient's comings and goings or to find them if they get lost , please indicate how you feel about the items below. If you are using more than one device, think about the one you most rely on.

	Strongly disagree (1)	Disagree (2)	Somewhat disagree (3)	Neither agree nor disagree (4)	Somewhat agree (5)	Agree (6)	Strongly agree (7)
This device enables me to accomplish caregiving tasks more quickly. (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
This device has improved my quality of caregiving work. (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q28 For this technological device that you are using to keep track of your care recipient's comings and goings or to find them if they get lost, please indicate how you feel about the items below. If you are using more than one device, think about the one you most rely on.

	Strongly disagree (1)	Disagree (2)	Somewhat disagree (3)	Neither agree nor disagree (4)	Somewhat agree (5)	Agree (6)	Strongly agree (7)
I'm confident in using a tracking device to track my care recipient. (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I feel comfortable using such a device on my own. (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If I want to, I can easily operate such a device on my own. (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can use such a device even if no one is around to help me. (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q29 For this technological device that you are using to keep track of your care recipient's comings and goings or to find them if they get lost, please indicate how you feel about the items below. If you are using more than one device, think about the one you most rely on.

	Strongly disagree (1)	Disagree (2)	Somewhat disagree (3)	Neither agree nor disagree (4)	Somewhat agree (5)	Agree (6)	Strongly agree (7)
Most people who are important to me think that I should use technological devices to track my care recipient. (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Most people whose opinions I value would approve of my using technological devices to track my care recipient. (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Most people I respect and admire will use technological devices to track their care recipient. (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Desirable	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Undesirable

Q31 I do not currently use a technological device like a GPS tracking watch or smartphone to keep track of my care recipient's comings and goings or find them if they get lost because... (select any reasons that explain why you do not currently use such a device). Again, we are only interested in the reasons why you do not currently use a device that can work without any input from the care recipient.

- ☐ I respect the care recipient's privacy (1)
- ☐ I don't want to "spy" on my care recipient (2)
- ☐ I respect the care recipient's autonomy (3)
- ☐ The care recipient can't really give his/her consent to use this technology (4)
- ☐ I think that these devices do not work very well (5)
- ☐ I don't think my care recipient would agree to wear or carry one of these (6)
- ☐ I would be worried that the battery would run out (7)
- ☐ I would be worried that the device would not be accurate (8)

- ☐ I don't think I could learn how to use a device like this (9)
- ☐ I don't have anyone to help me set it up (10)
- ☐ I think new technologies like this are quite pricey (11)
- ☐ New technologies like this that are available today are too expensive (12)
- ☐ I consider adopting a new technology like this to be a big-ticket item. (13)
- ☐ I am satisfied with the methods I already use (14)
- ☐ My care recipient would not agree to use such a device (15)
- ☐ I am not concerned that my care recipient will wander away or become lost (16)

Q32 Please indicate for the items below what you think it might be like to use a technological device to keep track of your care recipient's comings and goings or to find them if they get lost.

	Strongly disagree (1)	Disagree (2)	Somewhat disagree (3)	Neither agree nor disagree (4)	Somewhat agree (5)	Agree (6)	Strongly agree (7)
